****** Important Notes: Drama & Dance Performances in assembly area
1. We will have 400 seats available for each performance. These are “ticket events” with tickets costing $2.00 per person. Students who are performing in the assembly area do not need to pay.
2. For both performances families with performing students will have priority in obtaining tickets. However, we expect that there will be plenty of tickets available for both sets of performances. Full ticketing processes will be outlined in a statement put out on Monday 31 August 2015. We hope to have a full house for each performance. Please support all our students.
3. You can pre-order tickets by completing the slip below and returning to the office.
