Dear Parents and Caregivers

Welcome back to 2018! I trust you all had a wonderful holiday and enjoyed some quality time with family and friends. We have a very busy year ahead of us and this term we are kicking it off with 11 weeks with Easter at the end of Week 9. Although this does mean Term 2 will be a nice easy 9 weeks.

I would like to take this opportunity to welcome our new Deputy Principal to Albany Primary School - Mr Reece Smith. Mr Smith has joined us from Scadden Primary School where he was the Principal for 2 years. Prior to that he was Principal at Cascade Primary School and a Deputy Principal at Leinster Primary School. We hope you enjoy your new adventure here at Albany Primary School.

This year we also have Mrs Sarah Eley who is teaching Room 13, Year 3. Mrs Eley joins us from Wongan Hills District High School and we wish her all the best at Albany Primary School.

APS Year 1 students were lucky enough to be a part of the Cooperative Bulk Handling (CBH) Pencil Case Program for the first time. All our Year 1 students received a pencil case full of stationery items including lead pencils, textas, coloured pencils and lots of other wonderful items kindly donated by CBH. Thank you CBH!

The Queen Baton Relay will be stopping at APS and ASHS on Thursday 22 February as the Commonwealth torch makes its way into Western Australia. All students will be able to see the baton as it travels on route to the Town Square. More information will be published closer to the date.

Mrs Jayde Hewson,
Principal

Telescopes under the stars – WA's amazing night sky

Where? Great Southern Grammar Oval
When? 16 and 17 February 2018
What time? 8pm – 10pm

Free event with food and drink available from 6pm

The Perth Observatory volunteers will take you on a grand tour of the Southern Hemisphere's sky with a guided sky talk and showing stellar objects including nebulas, **stars dying**, and enormous **star clusters**. So rug up and get inspired by our amazing universe
