Assembly Area)

Dear Parents & Caregivers,

After a lot of rain in the first week of the holidays we managed to get a little bit of lovely sunshine in before returning to school. I hope everyone was able to rest up and spend some quality time with their children and family. Term 4, the downhill run! We have an extremely busy time ahead this term with multiple events occurring. Please make the time to put the term planner on the fridge to make sure you keep up to date with all the events taking place.

Over the holidays the Birds Nest Swing was installed in the Basketball court playground. Thank you to the P&C for all of your hard work installing the swing and the local families and businesses who assisted with the project. The funding for this project was received through the P&C from Mr Peter Watson's Office.

Next week the Year 5 students will participate in the bike maintenance workshops hosted by Passmore Cycles. Keeping your bike in tip top shape ensures a safe journey to and from school. Thank you to Passmore Cycles & Impulse Cycling for hosting the Year 5 and 6 sessions.

Good luck to the Year 6 students & teachers who will embark on the Rottneest Camp next week. A jam packed agenda will ensure a lot of learning and fun will be had whilst they are away. Technology.. can you take your phone, iPod or iPad? NO you can't! Camp is a time for technology free learning, engaging in the environment around you, participating in activities and building friendships with those you may not usually work with in the classroom. Parents please remember the bus leaves at 7am SHARP so please arrive between 6:20am – 6:40am. If you have any last minute questions please see Mrs Mercer or Mrs Stein.

Want to go surfing after school? If you are in Year 5 or 6 Sporting Schools Surfing starts on Tuesday 24 October. Make sure you have registered your interest with Mr Bolt to be a part of this amazing opportunity.

We have been selected to be a part of the NAPLAN online trial on Wednesday 25 October. 20 students were selected at random to participate in the trial to test the computer and internet speed as well as some of the new content of the tests.

Final school reports are sent home at the end of this term. If you would like to make a time to see your child/ren classroom teachers to discuss their progress or any concerns please do so in the coming weeks.

Also a timely reminder that if parents have changed their contact number or address please call the front office on 98427400 so we can update your records.

Mrs Jayde Hewson
Principal

Remember that you can advise us of your child's
absence via text message
on 0438 978 463

Canteen News

Thanks to funding from the Local Projects, Local Jobs program from the McGowan Government we are happy to report that the upgrade to the Basketball court playground has been completed.

This project could not have gone ahead without the following businesses and people:

Retaining and Paving World – John and Susan Small
John Bocamazzo Building – John and Naomi Bocamazzo
South City Paving – Dave Foggin
Stirling Freight Express
Great Southern Sands (Soil Solutions)
Catherine Mumford
Vaughn Hanbury

The P&C also contributed \$1000 to the project and hope the students at APS can enjoy the playground for years to come.

Uniform Shop news

We would like to welcome Vicki Davies to the role of Uniform Shop Book keeper.

The Uniform Shop is extremely low on volunteers for this term which may affect how often we are able to open our doors. We apologise in advance for this inconvenience, alternatively online purchases can be made at

www.ouronlinecanteen.com.au

A reminder that the House Sports Carnival is this Term. If you require a new faction shirt we suggest that you buy shortly as some sizes are limited.

If you are available for an hour this term to volunteer in our shop please contact Rowena at

apsuniformshopcoordinator@outlook.com
