

I Feel Good At Albany Primary School

I feel good at Albany Primary School
I feel good because of what we do
I feel good our agreements see us through
As we strive in all we do.

We look out for each other here
And we listen to show that we care
We can pass if we are not sure
And our best is our best measure.

We love it when we put on a show
When we trek we know where to go
Through the years we learn and grow
With respect – that's the way to go.

I feel good at Albany Primary School
I feel good because of what we do
I feel good our agreements see us through
As we strive in all we do.

I feel good
I hope you feel good too!
