From the Principal's Desk

The Lap WA

On Wednesday we hosted riders from The LapWA who have been riding motorcycles from the top of our state to the bottom to raise funds for Telethon. Father and son team Joel and Weston Jackson talked to our students about their journey through WA and why they embarked on the epic trip. Their journey has covered 10,000kms over 45 days.

We were super proud to present a cheque to Joel for Telethon for \$1030.00!!! Great fundraising effort APS!!

2022 Planning and Class Requests

We are at that time of year again when we are planning for next year.

If you know you will be leaving our school at the end of the year, please let us know.

Any requests for classroom placement in 2022 should be placed in writing and sent to the principal by Friday 5th November. Requests for individual teachers will not be considered. Requests should be based upon educational outcomes for children. Whilst we will consider these, it may not be possible to accommodate your request.

Rottnest Camp 2022

Our Year 6s are current off enjoying the delights of camp at Rottnest Island.

At this point in time, it is likely we will go ahead with camp in 2022. Parents should be aware that there is a requirement for students to be competent to swim at the beach and take part in swimming activities. We require students to have **passed Stage 5** to swim at Rottnest.

If your child is not yet near this swimming level, I encourage you to take advantage of VacSwim lessons over the school holiday breaks.

Out and About at Albany Primary School

This term, the Year 5 students will be looking at the work of a local artist. Yesterday, they were lucky enough to have this fabulous artist visit our school and spend the afternoon with them.

Kerri Blades came in and talked to the children about her passion for art. The students had prepared lots of interesting questions to use in the artist profile they are writing. Kerri demonstrated some of the techniques she uses and showed the students how to do 'negative painting'. The students are excited to try these out later this term. Watch this space for our colourful creations!

BIKE CLUB

Term 4

Bike club this term was on Wednesday the 13th of October. The weather was perfect for bike riding and those students who made the effort to ride their bikes into school were rewarded with a fun session of jumps and obstacle courses at lunch time.

They were also greeted by a fantastic breakfast put on by the P&C and through a generous donation from IGA. This term's bike club coincided with bike month and it was amazing to see so many bikes in the racks, we hope to see this continue through the rest of bike month and till the end of the year.

Bike club will take place once a term with a view to get more kids motivated to ride their bikes to school. If your student missed out on this fantastic opportunity this term, keep an eye out next term for the date of the next bike club.

QUIZ TIME

let's have some
fun

Welcome back to School! Term 4 here we go!

Please complete the applicable questions, place your name, room number, and return to the front office for your chance to win

Kindy to Year 2 - Name these characters

E

F

Year 3-6 Senior competition - Where in the World?

In which Countries would I find the following;

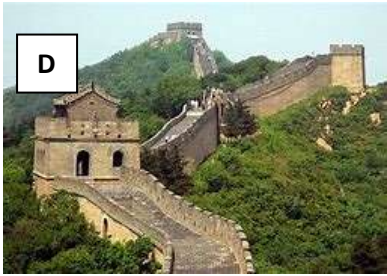

A

B

C

D

E

F

G

H

*Get your entries in by Wednesday lunch time for your chance to win
Good luck...Winner announced in the next newsletter*

Sustainability Space

Did you know...?

There can be more microorganisms in a teaspoonful of soil than there are living

The Sustainability Committee and Green Team are thrilled to announce that Albany Primary School's application to the Waste Wise Schools program has been approved. The Minister for Environment, Climate Action and Commerce, Honorable Amber-Jade Sanderson BA MLA, has granted our school community

\$2200 to help fund our sustainability efforts.

This grant money will go towards purchasing new bins to streamline and sort our waste collection, integrating composting into our learning processes and reducing our school's waste going into landfill.

Stay tuned for more details coming soon!

Community News and Events

Please note notices appearing below are not necessarily endorsed by the school. We provide this space for community groups to advertise to the school community. It is up to parents to scrutinise the activity and organisers for their child.

You do not need to be a fast swimmer to join

Albany Swim Club!

Albany Swim Club provides programmes and the opportunity to experience the environment of club swimming.

As well as being awesome fun, swimming is a great way to make new friends, keep fit and learn new swim skills.

Please contact our Registrar Silke via email registrar@albanyswimming.org.au for detailed information and to arrange a swim trial.
